Called here in endeavor to
locate + interview Thomas M. Mancuso
but store was padlocked, & no one
connected there. A bar premises
was informed in neighborhood
they are open in early morning
& close about noon.

Mrs. Barton informed me that
she was told at time Pearl Bahner
left her Brunswick, she went
in company of a married man.
Could not give me name of this
man or tell me who had given
the information.

Also said Pearl's brother
Henry, known as "Happy", died
about 4 months ago. She heard
an intensive & exhaustive search
was made at that time to locate
Pearl Bahner without success.

Respectfully Submitted,
Thomas C. Harrison
